Ladies and Gentlemen:

As you know, Diamond Transportation SC LLC made application for the above captioned Certificates on February 14, 2014 and your Commission approved all three applications on February 26, 2014 but you have not yet issued written Orders pursuant to these approvals. I am respectfully asking for expedited production of these three Orders so that we may proceed with the Office of Regulatory Staff to procure our Certificate and decals.

Thank you very much for your kind consideration.

Sincerely yours,

David M. Boucher, Managing Member
